Afterword

Thank you very much for reading.
This is my first time drawing a series.
It was fun setting the various characters in motion.
The things I regret are so many I feel I could die. Next time I'll try harder...
At first, I meant to have a dystopian, Sci-Fi type of story, but the
story stubbornly took its own path, and this is how it turned out.
I wanted to draw more clubs with customers with strange fetishes.
I thought I'd draw the extra about Rin's love story, but
since his partner was a woman, where was the BL...?
So I didn't. I still want to draw it somewhere, though.
As a final note, I'll write everyone's real names.

Shira

Satou Keima

Sajou Takayuki

Tanabe Rintarou

Very easy to draw.
My passion for old ladies came out.
And so did my extreme mother complex.
A strange man, but a good one.
He was really interesting— My favorite to draw.
I wanted to draw more of him.

This is their everyday life

OHH...
WE'RE TALKING ABOUT THE CUSTOMERS WHO'VE LEFT THE BIGGEST IMPRESSIONS ON US.
WHAT ARE YOU TALKING ABOUT?
chatter
chatter
???
When I was made to step on food.
Well... the most incredible so far was
Ahh! Michiko! I've loved you for so long!!
SCRIPT
It made me feel a little like I was going crazy.
I did last an play with an old guy dressed up as a woman.
It's going in.
Whaa...
I had dreams about that for a long time.
He made me put my arm into his ass.
NO... PRETTY MUCH THE SAME AS ALL OF YOURS.
REALLY...?
YOU MUST HAVE HAD SOME SCARY ONES
WHAT ABOUT YOU, SHIRO-SAN?
You're happy about that? They should get the without of causing people trouble
There've been about five times when regular customers have appeared in the papers.
3 Bank Robbers
3 Hundred Million Yen Embezzled
But if I'm forced to say...
